Security Bluetooth APP Fingerprint Biometric Smart Cylinder Door Lock

Product Introduction

This is newly developed multifunctional smart cylinder lock in 2020.Simple design, wireless Bluetooth management system is very convenient. Hold the handle and press the fingerprint to unlock it. You do not need to punch holes, do not need to replace the old mortise, installation is very convenient. It will bring the wonderful experience of intelligent life. This lock can also be used for wooden doors and safety doors, suitable for a variety of cylinder. It has convenient management system and 6 unlocking methods: fingerprint unlocking, Bluetooth APP unlocking, remote WiFi unlocking, fingerprint unlocking, password /PIN unlocking, card unlocking and mechanical key unlocking. It will satisfy all your needs for smart locks. Through advanced APP management, you can connect the smart door lock to your smartphone through WiFi or Bluetooth, so you can manage your smart door lock anytime and anywhere.

Target customer groups of intelligent lock: Merchants who want to purchase Chinese smart locks, agents of foreign smart locks, customers of hotel or apartment renovation projects, and smart lock customers of personal house decoration. Smart lock target industry: Smart home industry, security protection industry, real estate industry, hardware industry.

Product Parameters

Item Name	Aluminum Alloy Fingerprint Door Lock
Item Number	CA11B
Unlock Ways	WiFi/Bluetooth APP, Fingerprint, Password, Card, Mechanical Key
Fingerprint Reader	FPC Fingerprint Reader
Card Type	MF1 Card (13.56MHz)
Identification Time	<0.1S
Material Made	Aluminum Alloy
Colors Available	Black, Silver
Application Places	Residential, Apartment, Home, Office, Airbnb, Hotel
Door Thickness	30mm~75mm
Working Temperature	-20℃~70℃
Working Humidity	10%~95%
Voltage	6V (4x AAA Batteries)
Low Voltage Warning	Below 4.8V
Battery Duration	Support 10,000 Times of Lock & Unlock Operation
Data Capacity	Unlimited
Warranty	2 Years

3mins Quick Install

Adjustable Lock Cylinder
Can be adjusted to the maximum
length of **15/23mm**

40mm   40mm

55mm   63mm

15mm   **23mm**

Door Thickness:
35-100mm
